“The pioneer company in Egypt & MENA region in Oil & Gas projects”

NATURAL GAS DISTRIBUTION

EGYPT GAS
Experience ... Continues with Generations

Egypt Gas, is one of the Egyptian petroleum's sector companies established in 1983, and a pioneer and a specialized company in the Natural Gas distribution systems, the company undertakes all projects on EPC basis (feasibility studies, Engineering, Procurement, Construction, Commissioning & Maintenance of NG, LPG networks).

Egypt Gas provided its N.G services to more than 4.2 million Domestic customers, more than 6000 Industrial and Commercial customers (hotels, malls, clubs, restaurants,).

Egypt Gas developed economic, safe and feasible solutions for Off Grid customers using LPG or SNG networks integrated with Gas detection systems.

EXAMPLES OF MAJOR BUILDINGS THAT USE NAUTURAL GAS

As Safety is the utmost priority. Egypt Gas is the pioneer company in the Petroleum Sector to supply NG/LPG projects with an integrated Gas Detection Systems.
